Subject: Meeting Regarding MOU with OKC Medical Examiner

I have confirmed the meeting on Thursday, 10 July 1997 at the U.S. Atty's Office in Oklahoma City regarding an MOU with the Medical Examiner. I will attend the meeting along with Warden Guzik. The meeting will involve the U.S. Atty's Office, the FBI, and the BOP and we will discuss the Medical Examiner's desire for an MOU regarding investigative procedures at the Transfer Center. The Medical Examiner will not be present as the purpose of the meeting is to discuss, in essence, how we will approach the Med Examiner regarding this matter.

Also for your information, Arlene Joplin, the Chief of Criminal in the OKC U.S. Atty's Office, advised me that Dr. Jordan, the Med Examiner, is still very upset with the "Federal Government" over what has happened at the Transfer Center and he is being very vocal about convening an Oklahoma Grand Jury to look into the Trentadue matter. According to Ms. Joplin, Dr. Jordan is not satisfied with the federal Grand Jury and he believes that the federal Grand Jury is part of a cover up.
